FREE BOOKLET *from...*

UNIVERSITY OF UTAH

Salt Lake City, Utah

IF YOU'RE SINGLE, THIS BOOKLET WILL HELP YOU
TAKE CHARGE OF YOUR FINANCIAL FUTURE

Chances are you can count on one finger the number of booklets offering valuable estate planning ideas to the single person. But now such a booklet is available to you, pictured here, and titled (appropriately enough) "Estate Planning Ideas for the Single Person."

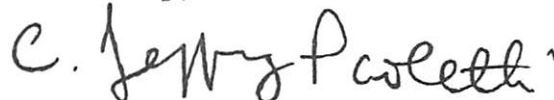

By reading it you'll discover exciting benefits and choices open to you in planning and managing your financial affairs. It will explain how you can harmonize your concerns for yourself, your loved ones, and a charitable cause -- and in the process express your individuality in very special ways.

You'll also learn how to stretch your income, cut your taxes, and minimize financial fears. And hopefully, if you are inclined to support our work through a charitable gift, we'll offer you practical suggestions designed to best meet your goals.

Taking charge of your financial future dictates action on your part now. The best way to begin is by increasing your knowledge about money matters and estate planning. And for that purpose, we offer you our free booklet. To receive your copy, merely fill in the blanks below and return this letter to us--with no obligation.

ESTATE
PLANNING
IDEAS FOR THE
SINGLE PERSON

Sincerely,

C. Jeffry Paoletti
Director of Planned Giving
